MEMORANDUM FOR: Deputy Director for Support

THROUGH : Deputy Director for Intelligence
: Director, Economic Research

SUBJECT : Request for Partial Waiver of
Training Agreement

25X1

1. I attended the American University, Washington, D.C., during September, 1968 through August, 1969 under Agency sponsorship. The tenure of my training agreement provided for a 36-month commitment. I have accepted an offer to enter into partnership with Mr. [] a former employee of and present consultant to the Office of Economic Research. I have submitted my resignation from the Agency to be effective in mid-May. At that time, my commitment would have about 15½ months to run.

2. Mr. [] and I will, among other things, be improving a number of Automatic Data Processing programs presently used by the Office of Economic Research as a publicly-available and essentially cost-free good. Further, since returning from my scholastic training, I have worked an average of, mostly documentable, 60 hours per week. In view of the above, I request a partial waiver of the agreement.

INCORPORATIONS

This Office generally does not support requests for waiver of Agency Training Agreements (Form 2735) covering Agency-sponsored full-time training. However, in Mr. [] case we believe that his request for partial waiver of his Training Agreement should be considered favorably. In reaching this conclusion, consideration was taken of the fact that as of his resignation date of 14 May 1971 he will have served twenty and one-half months of his thirty-six months Training Agreement. Over this period of service since completion of his full-time training Mr. [] has had an overall strong working performance in his assignment on the Systems Development Staff. This Office, therefore, recommends that Mr. [] be required to reimburse the Agency for the cost of this training in the same ratio as the number of months of service remaining on the agreement bears to the total of thirty-six months of the agreement.
